EXAMINER'S STATEMENT OF REASONS FOR ALLOWANCE

Response to Amendment

1. Applicants' amendment filed on September 1, 2005 has been fully considered and entered.

EXAMINER'S AMENDMENT

2. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Eric S. Hyman on October 14, 2005.

The application has been amended as follows:

In claim 10, line 7, please delete "waveguide," and insert -- waveguide. - -.

Reasons for Allowance

3. Claims 1-10 are allowed.
4. The following is an examiner's statement of reasons for allowance:

The prior art of record fails to disclose or reasonably suggest all the limitations recited in the base claims 1 and 8. Specifically, the prior art of record fails to disclose an apparatus and a method for manufacturing an optical waveguide using laser direct

writing method, comprising the steps of forming the optical waveguide using a laser beam having Gaussian distribution, wherein the step of forming the optical waveguide includes the step of overlapping at least two laser beams in combination with the other limitations of claims 1 and 8.

Claims 2-7 and 10 depend from claim 1.

Claim 9 depends from claim 8.

After carefully studying, the examiner agrees with applicants' arguments on pages 1 and 2 in the remarks that the reference does not qualify as prior art under 35 U.S.C. 102 (a) because it was not "before the invention thereof by the applicant for patent".

In addition, there is no reason or motivation for one of ordinary skill in the art to use the prior art of record to make the invention of claims 1-10. Therefore, claims 1-10 are allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
